

Chemung County Agricultural Society

Po Box 191
Horseheads, New York

Plans are underway for the 2017 Chemung County Fair. This year marks the Fair's 175th anniversary! Looking back on the 2016 fair, we would like to thank all of our sponsors and welcome their return. We want to extend an invitation to potential new sponsors to take part in the 2017 Fair.

The Chemung County Fair is a time honored tradition that has served generations of area residents. We are focused on providing a safe, fun filled and affordable family environment. The Fair association is looking to local businesses for help in sponsoring the 2017 Chemung County Fair. Your sponsorship will help provide quality entrainment and new exciting and appealing activities for fair goers.

Once our schedule is completed, your sponsorship dollars can go to sponsor a specific show or event of your choice.

Enclosed with this letter are the sponsorship packages that are available to help promote your business to thousands of people that live and work in Chemung County and visit the Chemung County Fair every year. All sponsors will be recognized at the fair according to the guidelines of the packages your business chooses.

Please feel free to contact us if you have any questions. We look forward to hearing from you!

Sincerely,

Chemung County Agricultural Society
